#### **Resource list and information**

**1. Youtube video** with lyrics onscreen

**2. mp3** with full sound

**3. mp3** with reduced vocal as a guide

**4. Lyric sheet**

**5. Lead sheet**

This has lyrics, melody and chords so will work for guitar, ukulele, piano or any other accompaniment instrument.

**6. DIY parts**

These parts are arranged in all keys and clefs. Each pdf includes a vocal line as a guide.

Players choose a note from each chord and move from one chord to the next in time with the song. Play along to the full audio track, the video or the guide vocal track.

Feel free to change the rhythm, improvise and enjoy yourselves.

**7. Orchestra parts**

These are arranged for traditional orchestral instruments (plus a few additions).

Print off the relevant part or read it from a laptop/phone/tablet.
